In the second part candidates are required to listen for understanding of specific detail and select an answer from four picture prompts.

**JETSET 2 Speaking Test
(Optional)**

5 minutes
20 marks

The Speaking test consists of three parts and should last about five minutes for each candidate. Usually two candidates take part in a testing session together. The tests are conducted by an internal assessor and Parts One and Two are based on material externally set by EDI. The Assessor is provided with sufficient material to ensure a reasonable rotation of tasks across the group(s) of candidates being examined.

In **Part One**, the candidates respond to Personal Profile questions based on the topics, functions and vocabulary prescribed in the content of this specification. This part of the test should last for approximately 1 minute per candidate. The material for Part One is provided as a list of questions for the Assessor to draw from.

In **Part Two** the candidates, working in pairs, take part in a two minute structured interchange with the assessor. The material for Part Two takes the form of a picture of activities. Each candidate has a variant of the same material.

Part Three takes the form of a two minute conversation extended from the topic in Part Two and related to the candidates' own experiences.
